January 3rd, 2020

Dear Parents/Guardians of our Sixth Grade Students,

As has been a tradition for over 20 years, our current Sixth Grade class will have the chance to go to YMCA Camp Bernie in Port Murray, New Jersey, from Wednesday, January 29th to Friday, January 31st. This is a unique opportunity for students to participate in many activities to further their education in the classroom of the great outdoors, as well as forging bonds and making lasting memories with their classmates, chaperones and counselors from Camp Bernie.

**There will be an informational meeting about the trip on Monday, January 13th at 6:00 PM** in the Library. There are several things we felt you would like to know before the trip. We will inform you on many great programs that the students will participate in the direction of the Camp Bernie counselors.

Most of the activities take place outdoors. In addition to the many other things to bring to the trip (which you will hear about at the information meeting) all students need warm boots, waterproof pants, warm winter coat, hat, scarf, and gloves. If your child does not have these things already, please take the time to find someone to borrow them from.

If you have any questions that you would like answered prior to the informational meeting on Monday, January 13th, please do not hesitate to call the school.

Thank you,

John Klag, Katy Kokolus, and Lauren Massa
