Dear Farmingdale School Community,

We understand that this school year will look tremendously different than previous years. You most likely have questions and concerns. Please know we are hard at work preparing for a safe school reopening.

To assist with questions you may have, we have developed a [Frequently Asked Questions](#) document to assist you. Please read through this document. If you have additional questions that have not been answered, you are welcome to add them to this [form](#). We will continue to review all questions that are submitted and update our FAQs on our website with new questions and answers as they come in.

You are also welcome to join us at our August 12th Virtual BOE Meeting at 7:30pm to hear about our plan and ask any questions or voice concerns. Please see the front page of our [website](#) for more information about how to join our virtual meeting.

In education,
Mrs. Conroy
