REVISED 2020-2021 Crossing Guard Schedule

Dear Parents/Guardians,

Our crossing guards' schedule will be as follows:

- ❖ In the morning, the guards will be available from 8:10 to 8:40 AM. In the afternoon, the schedule is from 12:20 to 12:50 PM.

Please be mindful of these times and emphasize that students should not arrive prior to the crossing guard arrival. Unless the weather is inclement, students must wait outside before we permit them in the building. Safety is our utmost priority, as well as supervision. As always, students should be respectful towards our guards who are an integral part of our school community. Students should follow crossing guards' direction to avoid consequences.

School crossing guards are provided by the Borough at:

- ❖ West Main Street and Academy Street (A)
- ❖ Main Street and Asbury Avenue (B)
- ❖ Academy Street and Southard Avenue (C) ☀ SCHOOL
- ❖ Railroad Avenue and Academy Street (D)
- ❖ **REVISED LOCATION!!!** Main Street and Boud Avenue (E)
