STEMgirls

weekly workshops

Join online this summer

July 9th to August 7th (8 weeks)

Spots avai;able in:

Beginner/Intermediate Coders class: every Thursday, 12:30 pm to 3:00 pm

Intermediate/Advanced Coders class: every Thursday, 3:00 pm to 5:30 pm

Join us every week online for science projects, academic games, creative writing, drawing with code, animation and fun with new friends!

Each registered student receives weekly supplies, meals, a teen mentor, and a new Chromebook to borrow for enjoying private zoom classes and activities this summer.
