

**February is...
Congenital Heart Disease Awareness
Month**

"1 in 110 children born have CHD and many go undetected."

Show Your Support at Farmingdale!

February 2nd: Wear red in support of Women's Heart Awareness Day.

February 14th: Wear red and blue in support of Congenital Heart Disease Awareness Week.

February 14th: Pay \$1 to wear a hat at school!

Middle School will be selling \$1 red and blue ribbons all month long!

All donations will go to Big Hearts to Little Hearts, a local organization that supports researching and spreading awareness about Congenital Heart Disease.

Parents, please have your
child screened for
undetected c.h.d. to
prevent sudden cardiac
arrest.

Dr. Loyda Rivera, Wall Twp.
(732) 282-1060.
