October 23, 2020

Dear Farmingdale Families,

At this time, we find it appropriate to send out a friendly reminder that students may not be dropped off in front of the school on Academy Street. Instead, please use the **only** approved drop-off location, which is in the loop of the school parking lot behind the building on Southard Avenue (in front of the main office.) Staff members are on hand to ensure students safely exit their cars and enter the building.

**Dropping off students in front of the school on Academy Street is dangerous for children and motorists.** NJ State Police will be available on various mornings throughout the school year to ensure that our arrival procedures are being followed.

We thank you for your cooperation.

In education,

Edith Conroy
