

Summer Reading Assignment 2017

Attached in this packet are Choice Boards with Fiction and Nonfiction response activities your child will be required to complete over the summer. They are in the form of a Tic-Tac-Toe game!

Before the last day of 2nd Grade, your child will have a "Summer Shopping Day" where they can choose a few books from our classroom library. They will pick books that interest them and are on their independent reading levels for Summer Reading enjoyment. These books will be signed out, and should be returned to school with them in September.

There will also be a Math packet attached to reinforce important math skills learned in 2nd Grade.

Have a Happy Summer filled with sun, fun, and reading!

Name: _____

Book #1 _____

Book #2 _____

Book #3 _____
