October 30, 2020

Dear Farmingdale Families,

With the holidays quickly approaching and school closed on November 5th and 6th for the NJEA Convention, please remember to consult the NJDOH [Travel and Transportation Advisory List](#) when making travel plans.

Anyone traveling to an area of high community transmission as listed by the NJDOH Travel Advisory will be required to self-quarantine for 14 days upon their return to New Jersey. Students returning from any of the states listed will be assigned remote learning for the duration of the quarantine. Please notify the school if you will be required to quarantine so that teachers and staff have ample time to prepare for the transfer to all remote learning for your student.

Adherence is necessary to keep our school community safe as we continue to provide in-person instruction.

Thank you for your continued support.

Sincerely,

Mrs. Edith Conroy

Superintendent of School
