

Magnet & International Baccalaureate Programs

7th graders can start to investigate options at the Freehold Regional High School District.

Two programs require applications / declarations of interest in the fall of 8th grade.

International Baccalaureate

The IB Diploma Programme is an international, academically challenging programme that prepares students for success at university and beyond.

Students take 7 IB courses a year in their junior and senior years (14 courses total).

All courses are equivalent to first-year college courses.

It has been designed to address the intellectual, social, emotional and physical well-being of students. The programme has gained recognition and respect from the world's leading universities.

Magnet Programs

FRHSD Magnet Programs allow students to pursue their passions in fields of study and career interests.

Students take from 1-4 Magnet courses a year (5-14 courses total) with their cohort.

Many courses are at the Honors or AP (Advanced Placement) level.

Programs prepare students to directly enter the workforce, attend a post-secondary technical program, or attend a two- or four-year college.
